STEVEN MARK ROSENBERG being of full age, hereby states:

1. I am the pro se Plaintiff/Appellant in the above captioned matters. I make this  
Affidavit based upon personal knowledge and in support of my motion for reconsideration of the  
Court's April 1, 2019 Order.

1 2. I am currently sixty-four (64) years of age and a resident of the State of  
2 California.

3 3. As I set forth in the Motion, I have been severely-ill since late February of 2019.  
4 A true and correct copy of a document evidencing my period of hospitalization from March 27,  
5 2019 to April 3, 2019 and a photograph of me taken during the period of said hospitalization are  
6 attached to the Motion as Exhibits A and B, respectively.  
7

8 4. I acted in good faith to prosecute this matter and to comply with the Court's  
9 March 15, 2019 minute order but as a result of my health was unable to comply with the Court's  
10 deadline. I did utilize the services of the Pro Bono Clinic as recommended by Your Honor, even  
11 attending an appointment at the Clinic. However, due to my health I was unable to timely  
12 correspond to prosecute this matter.  
13

14 5. As stated in the Motion, I reserve my rights to protection of my medical records  
15 under the Health Insurance Portability and Accountability Act (HIPAA).

16 6. I am recovered sufficiently that if my Motion is granted, I will be able to  
17 successfully prosecute the same.  
18

19 I certify that the foregoing statements are true and correct, and that if any of the foregoing  
20 statements are willfully false, I am subject to punishment, under penalty of perjury.
